

# School of the Renaissance Soldier - Event Registration Form

To register for a School of the Renaissance Soldier event, print this form, fill it out and mail it in. Please be sure to enter all of the requested information. You may use one form per family (please include children) providing they all reside at the same mailing address, and can be reached at the same email address (persons with a different mailing address or email address should complete a separate form). When we receive your form we will send you an email to confirm your registration. Your email address will also be placed on our mailing list so that you will receive updates on the event.

Completion of this form in no way obligates you to attend an event, but the information provided will be very useful to the event planners. Fees will be collected at the event, so there is no need to prepay.
